Of the Bible Society to the citizens of Prince George's County.

Among the various efforts which have been made in these "latter days" to ame liorate the condition of man; to soften the asperities of his nature; to make him acquainted with the duties which he owes to God, his country, and to himself; and to tender him in every situation an estimable member of speic ty; we know of none so well calculated to produce such desirable effects as the diffusion of religious knowledge through all classes of men.-It is only "the knowledge and love of God, shed abroad in our hearts," that can correct the eyil propensities of our nature-It is "the fear and admonition of the Lord' which can pluck from the soul the envenomed "sting of death," and restore it to the farour of God.

But how are the poor and the needy the ignorant and the pennyless, to obtain this religious knowledge? Some of them, it is true, have churches to go to, and there we are persuaded they have the pure word of God preached to them,—but alas! this will do little good unless they have the word of God at home also.-It is, brethren, that they may obtain this invaluable blessing, that we now take the liberty to address

We have seen with joy and exulta-tion, the wonderful success which has uniformly crowned the efforts of bible so delies in Europe and America, to promore this great object; and we, wishing to be humble participants with them in the happiness of doing good to our fellow creatures, have formed ourselveinto a soriety, denominated "The Bible Society of Prince George's County.

In this association the object is twofoid

First, to circulate the scriptures am my the poor in Prince George's conn tyrand next to assist other Bible So-creties in dispensing the word of Life to the who are "ready to perish" throughout the world—An object surely of immense importance; an object embracing the most precious of all charities, charity to the immortal soul — In such an of sect all may, all ought and we trust all will unite.-There is nothing in it calculated to excite in the samiliest degree party spirit and animosity, for an article in the constitution enpressly provides, that the bibles to be distributed by them shall be without tores or examents of any description w a wer. - All are therefore earnestly ied ested to engage in this " labour of ie e -- It even a cup of cold water, Carist, is not without its reward, what reward may not be expected to follow be distribution of the word of life!-Brethren, "he that succoureth the poor endeth unto the Lord,"-Come then cast your bread upon the waters and ye shall find it after many days."

A subscription of only one dollar and a quarter is required from these who wish to become members of this society, and another of one dollar and a junter annually thereafter. A donation of wenty dollars, and upwards, withir three years, gives the privilege

As it is lesirable, however, that the benefits resulting from the association benefits resulting from the association so all be as promptly and extensively feit as possible, it is hoped that those are sub-cribe will be liberal, as the food hath prospered them -We pray von, brethien, to aid the views of society. Each of the managers is authorised to obtain subscriptions.
